Wilmington Town Democratic Committee News

Busy day, busy day.
 Next to Fred Cain, our chairman Jim McLaughlin is probably the busiest guy in town these days. Un-

less, of course, you are counting our water commissioners running themselves ragged on the problem of water for Fairmeadow and Jerre Roads.

meeting is in conjunction with the Registration drive.

Final ticket returns are in and a sellout is assured. Tonnello's will be filled to overflowing and a good time will be had by all. My thanks to all the committee members and ticket sellers for their cooperation in making this affair a success.

After meeting Ted Cantrell's pretty wife last week, I know now why he doesn't get around much anymore.

Mary Cunningham has threatened to keep her eye on all of our Banquet Committee members at the big night, so you better be on your best manners, boys.

Nomination petitions for Thomas Donohue, State Representative, and Harold McKelvey for Clerk of Courts are out being signed. Give the Gentlemen a life and sign whenever you see one. Only once, that is.

Harold McKelvey, who is the official greeter for the banquet, will be doing double duty that night, in as much as he will do the inscribing of names and towns of guests on their place cards. These cards will be in front of each serving and will prove an excellent remembrance of the affair. When you people enter Tonnello's that night, sign the guest book legible and correctly so as to make it easier for Harold to copy.

Two big baskets of flowers will be decorating the head table that night, compliments of Mr. Corsetti of Woburn. Mr. Corsetti is the owner of the Hillside Florist Shop and all of you who have done business with him know the excellence of his pieces. Our thanks to you, Mr. Corsetti.

Accompanying Jim will be John Davis, Ted Cantrell and yours truly. Thursday night, Jim will be attending a meeting at the Surrey Room, Hotel Marlboro, Lowell, this.

D. A. V. HI-LITES

Chapter 106 participated with the other veterans' organizations in town in the Memorial Services at St. Thomas' Church on last Sunday, and it was a most impressive ceremony.

We hope the ceremony intends to make the Memorial Day Observance a must on their calendar. This is the one Holiday when we should pause and reflect on the price that has been paid by those whom we honor, for the preservation of the God-given rights and privileges we now enjoy. We, of the D. A. V., hope that everyone will try, in some way, to come out on Memorial Day to pay homage to our hero dead, if only to stand along the line of march and encourage those who turn out in remembrance of the sacrifice of those who died to keep us a free people.

Commander Gustus of Chapter 106 asks that all members of the Chapter who are available to please turn out for the Memorial Day observance. We will meet at the Headquarters on Grove Ave. at 8:15 a.m. The satisfaction gained will be well worth the effort.

On Sunday evening Chapter 106 was represented at the installation of officers of the Edith Nourse Rogers Chapter in Lowell, by Past Commander Jim Simpson, Dept. Jr. Vice Commander Jim Shine, and Commander Rose Gatta and Jr. Vice Commander Mary Starr of Chapter 106 Auxiliary.

Our Auxiliary is conducting their annual membership drive. Anyone wishing to join and participate in their most worthwhile activities may do so by contacting Commander Rose Gatta at OL 8-2259.

EVENING BANKING HOURS AT MIDDLESEX

Evening Banking Hours on Thursday from six to eight P.M. beginning June 5, 1958 at its Billerica Office have been announced by the Middlesex County National Bank.

The office will be open daily Monday through Friday from 9:00 A.M. to 2:30 P.M. except Wednesday when the hours will be from 9:00 A.M. to 12 noon and Thursday evenings from 6:00 P.M. to 8:00 P.M.

The Lowell and Wilmington offices have some time and the large patronage indicates wide acceptance.

After a careful survey in Billerica it was concluded that the bank would render a more complete service to its customers, and better meet the public convenience, by extending office hours to Thursday evenings from 6 until 8 P.M.

Little League Season Off To Good Start

The Wilmington Little League officially opened its 1958 season on Saturday with a double-header on the newly improved diamond of Murray's Little League Field. A snappy Wilmington High School Band led a parade of all the major and minor league players from the fire station to the field, and the Honorable George Spanos once again threw out the first ball in appropriate ceremonies preceding the two games.

In the first game, the defending champion Unit Packet Tigers jumped off to a quick start of the 1958 season with a 6-0 victory over Cain's Red Sox. Jeff Williamson, Tiger pitcher, mowed down the first seventeen batters to face him, but Keith Arnold, the eighteenth batter beat out an infield single for the only Red Sox hit. Frank Ingham pitched the full six innings for the Red Sox.

Tom Grant's two-run homer was the margin of victory as Chisholm's Indians overcame the Wilmington Ford Yankees 5-3 in a closely contested game. Pete Emery, Indians hurler, stifled a late Yankee rally to nail down the victory. Bill Cotter went the route for the Yankees.

Major league teams will compete regularly at the new field on Monday, Tuesday, Wednesday, and Thursday evenings until late July.

The minor league, composed of six teams, will open its season on Saturday, May 31st, with a triple header followed by games on Friday evenings and Saturdays into early August. President Bob Hastings has urged that townspeople get out and support the youngsters whenever they can through attendance at the games.

WILMINGTON JAYCEES REPRESENTED AT STATE CONVENTION BY JOHN HOLLOWAY, LOCAL PRESIDENT

On May 23-24-25, the Mass. Junior Chamber of Commerce held its annual State Convention at the Hotel Wendall Sherwood in Pittsfield, Mass.

The convention opened officially on Friday evening with a giant Cocktail Party, which was followed by numerous campaign meetings in preparation for Saturday's State elections of officers. The following morning was taken up with a Business meeting followed by a luncheon at the Berkshire Restaurant. The main event of the day started after lunch, when the elections began. The excitement, demonstrations, and enthusiasm were so great that Mr. Holloway compared it to the National Political Conventions. There was bargaining, trading of votes, tension and excitement, all ably controlled by the State President John Dater, who resides in Fall River.

Mr. Donald Ennis of the Lowell Chapter was elected as State Director and the only one from this area to be so honored. This is the same Mr. Ennis who has so willingly given of his time to aid the birth of our own chapter here in Wilmington.

The campaign for site for the 1959 State Convention was won by Danvers in a very close and contested battle. The main issues were facilities and price.

Saturday evening's entertainment consisted of a Fabulous banquet and dress ball with individual parties after the ball.

A full report of the convention will be presented to the members of the Wilmington Jaycees at their next meeting.

We of the Wilmington Chapter were given the honor of casting the first vote at the State Convention, because we were the newest chapter in Mass. This is a confidence we in town intend to uphold.

We now have our Charter and we would like to extend an invitation to all eligible young men to come to our next meeting.

METHODIST MEN MAKE PLANS FOR ANNUAL MEETING
 The Methodist Men's Group of the Wilmington Methodist Church have made plans for the annual meeting, to be held on Thursday, June 26. The lobster dinner will be served to the men and their wives, and entertainment under the direction of Carl Backman is being planned. All men are asked to call Fred Seddon, OLiver 8-2478, for reservations. The officers for the coming year will be elected at this meeting and it will be the last time the group will be together until September.

The fifth graders of the Wildwood School went on a tour of historical sights in Boston on May 22. They visited Bunker Hill Monument, Old

State House, and rode the Swan Boats at Boston Public Gardens. They were also allowed to tour inside the Old North Church and inspect the U. S. Constitution, (Old Ironsides). The route visited proved to be both enjoyable and educational for all who attended.

The third graders of the Wildwood School will go on a field day, June 5 to visit Science Park, Boston. Busses have been arranged to take them and return them to school in time for dismissal.

Douglas Palmer of 124 West St., is confined to the Parker Hill Hospital, Brookline, Mass. We wish him a speedy recovery.

After a minor operation at the New England Sanitarium, Stoneham, Mrs. Frances Gray of Clark St., has returned home, and a speedy recovery is expected.

Mrs. Geraldine Duzniak of 39 Dorothy Ave., is confined to St. John's Hospital, Lowell, for a minor operation. Her friends and neighbors hope to see her home soon.

WILMINGTON BOOSTER'S CLUB

The Wilmington High School Boosters' Association Annual Spring Banquet was held at Hayes Steak House in Billerica, Sunday, May 25.

Over 100 boys and girls were honored at this banquet, including the Girl's Basketball and Softball teams, the Boy's Basketball, Baseball and Track teams, and the Basketball Cheerleaders. A delicious ham dinner, with all the trimmings, was enjoyed by everyone.

Head table guests included Robert Muller, Boy's Basketball Coach; Alice McCarthy, Girl's Coach; Frank Kelley, Track Coach; Lawrence Cushing, Athletic Director; Anne Frotten, Director of Cheerleaders; James Gilligan, Baseball Coach; Fred Bellissimo, Assistant Coach; and the officers of the Booster's Association.

Dignitaries attending the banquet included Ernest Crispo and Edward Page of the School Committee, and Chief of Police, Paul Lynch.

Awards of trophies were given to all varsity players, and jackets were presented to all senior members of the respective teams. Mr. Frank Scitile photographed each team and

their coach at the time of presentations.

The drawing of a Portable Television and a Portable Radio was held. Mr. John Ahern, Manager of Hayes Steak House, pulled the winning tickets. The television set went to Alfred Hamilton of the Woburn Hide and Leather Company, and the radio was won by G. Moore of Monsanto Chemical Company.

After the drawing, general dancing was enjoyed by a wonderfully conducted group of High School Students and their parents and friends who made a splendid showing to honor the Athletics of Wilmington High School.

The managers of Hayes Steak House made commitments to the committee, about how well-behaved and well-mannered our boys and girls acted. They certainly have given the town of Wilmington something to be proud of.

TALK OF THE TOWN

By HANK FILIPPONE

These past five years will be probably looked back upon as the most constructive period in the growth of Wilmington, in its history. At any rate, I doubt that there will be any more turbulent years. Reviewing the different programs that we have adopted, you will have to admit that we are progressing rapidly along the paths that we have chosen to follow. This path is also leading to the dawn of the Town Meeting, which has been the oldest and best form of town government in the history of the United States.

With all the articles that we embrace for the benefit of the progress of the town, we also lessen the authority of the citizens vote at the Town Meet. The legal opinion of our town counsel evidently means nothing to our town fathers. His opinion was the vote of the citizens to exclude water lotteries along Nichols Street was binding and that the water commissioners had no authority to place another article on the same problem at the next special town meeting in June. However, we are faced with the problem of attending another town meeting and asked to vote on the same subject. And, dear readers, if the town votes the same way again, there will be another town meeting called, and again, and again, until you are worn out and go along.

The Wilmington Navy has now got two boats. Our Sea Scouts have a row boat at Silver Lake and a 27' launch behind the Methodist Church, undergoing dry dock repairs. There are 29 sea scouts in our navy, boys between the ages of 14 and 18. According to Henry Heese, their director, the navy is in dire need for a couple of 12 volt batteries in order to get their flag ship afloat. Are you reading this, FRED CAIN?

While on the subject of the sea scouts, any of you old warblers got some of you old uniforms? The boys are looking for any part of naval uniforms, especially white hats and kerchiefs. How about it, Men, won't you help these kids along? Contact Henry Heese for your donation.

For you patrons of the world's strangest store - The Shamrock Drive-In, that is really Fat Foley be-

lind that mustache. It seems that he is fueling with his wife Rita, but from past experience, I know he is going to lose.

Memorial observances at the squares were made in a downpour of rain, but still Mrs. Drew and Charles Black, along with Frank Hagerty were there to attend the services. Nicky was along as a participant and we got all wet. Little enough, I say, to show that we have not forgotten those who made the supreme sacrifice to make this country as great as it is.

Friday being Memorial Day, it is the request of all Veterans Organizations that all members, along with ex-GIs and servicemen come along and help show our appreciation for the efforts of our veteran dead.

A bright spot in our daily travels to work is the pretty smile that is always apparent on the face of the policeman at the square. The smells in town seem to be the problem today. At the hearing last week, the owners of the plants concerned admitted that they were partially to blame and promised that the situation would be remedied by July 1st. Years ago, when we had 5000 population, we had 2500 problems. Today we have 11,000 population and 5500 problems.

Our Fire Chief feels that the new fire truck which we voted to buy, and have not yet got, can be maneuvered on any of our streets where our present equipment can be used. A report from the Audit of State needs, published in the daily paper, sounded like our former town manager.

FIRE CHIEF EXPLODES

are capable of bidding on the truck, ONE is located in New York. Adding to the Chief's chagrin, the TM, last Friday, sent him a new set of specifications for his approval which included the provision that the Chief, AND THE TOWN MANAGER, at the TM's discretion, be allowed to inspect the truck during its construction. The chief sent back the specifications with the remark "no comment".

We regret the obvious lack of confidence in our fire chief indicated by some of the remarks.

We have the highest regard for the motives of the fire chief and are confident that his main interest is in the protection of the people and the property of Wilmington.

Store Hours Set For May 30

Due to recent Sunday law violations being prosecuted in regard to illegal sales, Police Chief Joseph L. Ryan this week reminded all store owners that the Sunday law is in effect until 1 p.m. Memorial Day, May 30.

No store that has to be closed on Sunday can open until 1 p.m. while other stores must obey Sunday laws until 1 p.m., Chief Ryan said.

Flower shops may sell all day and flowers may be sold from other stores all day.

Recent violators of the Sunday law were the Lucky Super Market in Pinehurst and the Billerica Food Center in the Center. The violations stemmed from a law ruling that only certain items can be sold during certain hours on Sunday.

NEWSING AROUND

by Esther Moore

I regret that I missed the opportunity a few weeks ago to give coverage to what was a momentous day for the Town. I refer to the extension of the Town Beach to twice its size.

Silver Lake is often referred to as one of the Town's greatest assets, and the Town Beach is paid for many times over in the pleasure it gives the inhabitants. Up until now, the chief complaint against the beach has been the size of the bathing area. The work done recently will alleviate the situation a great deal. But it is good to know that the Planning Board is anticipating greater need and proceeding accordingly.

There is at least one owner of the little foreign cars so popular today with a sense of humor. Noticed one on Rte. 28 recently with a huge key of the type used on wind up toys, bolted to its back.

Add to my list of regrets, that I didn't get to take pictures of men who have put so much time and effort into the Little League park. Some of the men who work the hardest don't even have children active in Little League.

If all those who talk about the alarming "juvenile" problem would devote the same amount of energy to such projects, there would be so much of the latter there could be none of the former.

Saturday was one of the busiest days in some time. Of the activities I can think of offhand, St. Thomas' youngsters receiving First Holy Communion at 8 a.m.; the Methodist Church Garden Festival at their grounds, complete with Lady of the Brookshire; the Little League parade and double header; and the horse show held on Andover St. in the afternoon added up to an overflowing day.

Almost passed one of our boys in blue the other day without recognizing him; he was in khaki instead of the customary blue. In case anyone else is wondering about the new uniforms for some of our police, they are being worn by those on traffic detail at gravel pits, etc., due to the problems of dust raised by the trucks.

The gentleman we mentioned last week who has been prominent in the garage commercial on early morning TV is Henry Westcott of Forest St. Anyone spot him?

Hope we can make the Catholic Guild for the Blind Choristers concert Friday evening at the high school. Aside from being an inspiring event, supporting the Lions, who are sponsoring the evening, is a worthwhile endeavor, particularly in light of their aid to the blind.

SELECTMEN'S NEWS

Sunday license renewals were granted Rocco's and Poole's Bakery at the Selectmen's meeting Monday evening. All members, with the exception of Charles Black, recuperating from a heart attack, were present.

An application for a carnival license from the Wilmington Hebrew Community Center was tabled pending investigation of the site chosen.

Town Counsel Phillip Buzzell is being asked to investigate the insurance setup in regard to police officers doing special duty on their own time.

The application of Daniel Robbins for a license to buy, sell, and repair truck bodies at the building at 755 Woburn St. he is constructing was also taken under advisement.

Nicholas DeFelice suggested that the Selectmen commend the veterans who conducted services at the memorial parks in the downtown last Sunday.

A letter from the Civil Defense agency was received authorizing the town to purchase the rescue truck voted at the last Town Meeting.

Mr. Calabrese reported that he had spent the afternoon discussing the Nichols St. Bridge with the R. and M. railroad's proposal to level the top of the bridge by raising the ends to eliminate the hump in the middle, and leave the problem of the approaches to the town, met with little apparent approval from the Selectmen.

Local Lions In Top Twelve

The Wilmington Lions Club numbered among the top twelve in donations to Massachusetts Lions Eye Research this year.

The \$700 donation ranked with the donations of some of the large cities in the nearly two hundred clubs in Massachusetts.

The report was brought back by the delegates to the convention held at the Ocean House in Swampscott, May 23-25.

President John Murphy, George Cushing, Arthur Boudreau and Donald Kipper were the Wilmington delegates. A large number of Wilmington Lions also attend the banquet.

The donation by the local club joins the donation of the other Lions Clubs in the state to support nine projects, all instrumental in furthering eye research. The projects aided either help the blind, or aim to prevent blindness in the future.

Research at Harvard which helped lead to the discovery of the cause of blindness in premature infants is one of the valuable research programs aided by Lions donations.

Softball League Going Strong

The Wilmington Recreation Softball League has just completed its third week of play and the four top teams have lost at least one game. J. W. Greer Co. Mer-Mac's, Stinger's and Townies. The highlight of the week was when Townies lost a close but hard fought game to the Mer-Mac's by a 3 to 2 score.

Another game of note was the tie game between the Stingers and the American Legion. This game ended in a 10 to 10 tie. For persons interested in playing in the league it should be remembered that you must be eighteen years of age or over, a resident of the town of Wilmington or a worker at one of the plants sponsoring a team.

There are still vacancies on several of the teams for interested persons. All games are played at the Town Park during the week-day-evenings, starting time 6:30 p.m.
